- 22.1 If the Coal Authority or similar statutory body recommends that a Coal Mining Report is obtained for the Property, then such report shall be exhibited prior to settlement. In the event that such report discloses a position which is materially prejudicial to the Property or the Purchaser's proposed use of same, then the Purchaser shall be entitled to resile from the Missives and that without penalty to either party only provided (i) the Purchaser intimates his intention to exercise this right in writing within 10 working days of receipt of the said report; and (ii) such matters intimated as being prejudicial are not rectified or clarified to the Purchaser's satisfaction (acting reasonably) by the Date of Entry or within 6 weeks from the date of such intimation whichever is earlier. The Purchaser's right to resile shall be his sole option in terms of the Missives.
